MESSAGE FROM THE DEPARTING CHAIRPERSON

As I step down from my role as Chairperson, I can look back proudly on the past year and what has been achieved. We raised an amazing £11,857.53 since May 2018 - an increase of £1,600 on the previous year - a truly brilliant amount for a small school such as ours.

I would just like to thank all of the committee members for the hard work and commitment that has made this possible. Many of them have supported me throughout the four years that I have been involved in FACES and in particular, during the last two when I have been Chair.

FACES could not have achieved the amazing results that it has without their support and dedication and I really appreciate their help.

I'd also like to thank those that have volunteered to help with FACES over the past year and those who have attended our meetings and contributed ideas, suggestions and their support - we could not operate without your help and it is much appreciated.

I am also grateful to Mrs Johnson, Miss Scammell and all of the staff for their help and advice. The office and kitchen ladies have been amazing, as has Mrs Hall for all of her assistance with our art based fundraising!

Finally, a thank you to our parents for attending our events and participating in our fundraising efforts. You have parted with such generous amounts of money, all of which has gone back into the school to create truly memorable events for the children. I am amazed at what has been achieved.

I would strongly recommend that you read both the accompanying Chairperson's annual report and Treasurer's financial report, to see what has been achieved and to see where your money has been spent.

I would like to wish the new committee every success and would ask that you all continue to show your support for FACES going forward. If you think you can offer your help, please do contact the team - any contribution helps, no matter how small it may be.

Best Wishes,

Emma Parsons
